

WORLD FISH MIGRATION DAY!

October 24,
2020

World Fish Migration Day is celebrated to raise global attention to restore river connections for migrating fish to achieve healthier fish stocks and more productive rivers.

Come celebrate our local native salmon and other migratory fish on Saturday, October 24, 2020! Walks will be held at 10:00am and 1:00pm. **Location:** The Chehalis River Discovery Trail, Centralia. COVID-19 protocols in place -- 6ft+ distancing, masks required; group sizes limited.

Pre-registration required. To register, and for more information, contact: Kenna Fosnacht, Lewis Conservation District at kenna.fosnacht@lewiscdwa.com or Alexa Brown, Grays Harbor Stream Team Coordinator at graysharborstreamteam@gmail.com. Specific meeting location and other information will be provided upon pre-registration.
